How It Works

SmartMitt stores the results of each Pitching Session. Each Student can see their results, and each Coach or Instructor can display the results of the pitchers that they follow.

- **Student Dashboard**—Shows the Student Data and the Coaches and Instructors associated with this Student.

- **Success/Miss Data By Session—** Each Session is tracked and shows the number of pitches that hit the target in the Strike Zone Desired.

* **Success / Miss Data** by Target Type

Instructors and Coaches— Each student that is Associated with a Coach or a Instructor will show up in a secure List for the Coach or Instructor
